CLASS 6

SYLLABUS
2026-2027

Learning Cycle 1: 1st April to 22nd May 2026
Learning Cycle 2: 6th July to 25th September 2026
Learning Cycle 3: 28th September to 23rd December 2026
Learning Cycle 4: 11th January to 19th March 2027

S.No.	Subjects	Page Number
1.	English	3
2.	Hindi	6
3.	Sanskrit	8
4.	Mathematics	9
5.	Science	11
6.	Social Science	12
7.	Applied Art Specialisation	13
8.	Painting Specialisation	14
9.	Pottery Specialisation	15
10.	Sculpture Specialisation	16
11.	Indian Dance	16
12.	Creative Dance	17
13.	Hindustani Vocal Music Specialisation	19
14.	Sitar Specialisation	22
15.	Western Music Specialisation (Guitar)	23
16.	Drums Specialisation	25
17.	Tabla Specialisation	27
18.	Western Violin Specialisation	28
19.	Drama Specialisation	30
20.	Physical Education	31
21.	Technology	41

English

Learning Cycle 1

Literature

- Novel

Wonder by R.J Palacio (Novel)

- Poetry

Daffodils by William Wordsworth (Poem)
A Friend's prayer (Poem - Poorvi)

- Prose

Snake Trouble by Ruskin Bond (Short story - Modern Indian Stories)
Rama to the Rescue (Short story - Poorvi)

Listening Skills

- Listening Skills

Speaking Skills

- Recitation
- Impromptu

Reading Skills

- Reading Comprehension

Writing Skills

- Prompt based Creative Writing
- Paragraph Writing
- Summary Writing
- Literary and poetic devices

Grammar and Vocabulary

- Revision of Parts of speech
- Kinds of Noun
- Adjectives
- Vocabulary Assessment
- Spelling Assessment
- Idiomatic Expressions and Proverbs

Learning Cycle 2

Literature

- Novel

Wonder by R.J Palacio (Novel)

- Poetry

Silver by Walter De La Mare (Poem)

The Kites (Poem - Poorvi)

● Prose
Shadow by Paro Anand (Short story - Modern Indian Stories)
Dal Delight by Subhadra Sengupta (Short story - Modern Indian Stories)
Swami and Friends by R.K Narayan (Short story - Modern Indian Stories)

Listening Skills
● Listening Skills

Speaking Skills
● Recitation
● Debate Rendition

Reading Skills
● Reading Comprehension

Writing Skills
● Debate Writing
● Diary Writing
● Film Review

Grammar and Vocabulary
● Verbs
● Tenses
● Vocabulary Assessment
● Spelling Assessment

Learning Cycle 3

Literature
● Novel
The Village by the Sea by Anita Desai (Novel)
● Poetry
Don't take your Troubles to Bed by Edmund Vance Cooke (Poem)
Life Doesn't Frighten Me by Maya Angelou (Poem)
● Prose
The Unlikely Best Friends (Short Story - Poorvi)
The Hungry Septopus by Satyajit Ray (Short story - Modern Indian Stories)
Ila Sachani: Embroidering Dreams with her Feet (Informative text - Poorvi)
Festival of Eid by Premchand (Short story - Modern Indian Stories)

Listening Skills
● Listening Skills

Speaking Skills
● Speech Rendition
● Recitation

Reading Skills

- Reading Comprehension

Writing Skills

- Poetry Writing
- Speech Writing
- Informal Letter

Grammar and Vocabulary

- Adverbs
- Prepositions
- Voice – Active and Passive
- Idiomatic Expressions and Proverbs

Learning Cycle 4

Literature

- Novel

The Village by the Sea by Anita Desai (Novel)

- Poetry

My Shadow by R. L Stevenson (Poem)
The Charge of the Light Brigade by Lord Alfred Tennyson (Poem)

- Prose

The Narayanpur Incident by Shashi Deshpande (Short story - Modern Indian Stories)
Bidesia Babu by Mala Marwah (Short story - Modern Indian Stories)
Neem Baba (Short story- Poorvi)

Listening Skills

- Listening Skills

Speaking Skills

- Recitation

Reading Skills

- Reading Comprehension

Writing Skills

- Book Review
- Descriptive Writing

Grammar and Vocabulary

- Conjunctions
- Interjections
- Reported speech
- Vocabulary Assessment
- Spelling Assessment

हिन्दी

कौशल - श्रवण,वाचन,पठन, लेखन,व्याकरण व रचनात्मकता

Learning Cycle 1

साहित्य (मल्हार -भाग-1)

- मातृभूमि (कविता)
- हार की जीत

अतिरिक्त अध्ययन ('भारत की लोक कथाएँ')

- चतुर सुनार
- अली का गधा

व्याकरण -(व्याकरण वाटिका -6)

- भाषा,लिपि और व्याकरण
- वर्ण-विच्छेद
- वर्तनी शोधन
- तत्सम तद्भव शब्द (1-30)
- विलोम शब्द (1-30)
- अपठित गद्यांश

रचनात्मक लेखन

- अनुच्छेद लेखन
- सार लेखन

Learning Cycle 2

साहित्य (मल्हार -भाग-1)

- पहली बूँद
- गोल
- चेतक की वीरता
- हिन्द महासागर में छोटा सा हिंदुस्तान

अतिरिक्त अध्ययन ('भारत की लोक कथाएँ')

- जादुई ढोल
- गोपाल का इलाज
- राजा और अंधा

व्याकरण- (व्याकरण वाटिका -6)

- अपठित गद्यांश / काव्यांश
- संज्ञा व उसके भेद
- लिंग, वचन व कारक चिह्न
- पर्यायवाची शब्द (1-30)
- वाक्यांश के लिए एक शब्द (1-30)
- विराम चिह्न

रचनात्मक लेखन

- कविता लेखन
- सार लेखन
- वाद-विवाद लेखन

Learning Cycle 3

साहित्य (मल्हार -भाग-1)

- मेरी माँ
- रहीम के दोहे
- पेड़ की बात
- सत्रिया और बीहू नृत्य (पठन एवं गतिविधि)

अतिरिक्त अध्ययन ('भारत की लोक कथाएँ')

- फैसला
- प्रथम पुरुष

व्याकरण- (व्याकरण वाटिका -6)

- सर्वनाम
- विशेषण
- श्रुतिसमभिन्नार्थक शब्द (1-20)
- अपठित गद्यांश / काव्यांश
- मुहावरे(1-30)

रचनात्मक लेखन

- अनुच्छेद लेखन
- संवाद लेखन
- पत्र लेखन (अनौपचारिक)

Learning Cycle 4

साहित्य (मल्हार -भाग-1)

- परीक्षा (कहानी)
- जलाते चलो (कविता)
- मैया मैं नहिं माखन खायो (कविता)

अतिरिक्त अध्ययन ('भारत की लोक कथाएँ ')

- जंगल का न्याय
- बुद्धिमान माँ

व्याकरण - (व्याकरण वाटिका - 6)

- क्रिया
- अनेकार्थी शब्द (1-20)
- शब्द विचार – (पुनरावृत्ति)
- अपठित गद्यांश / पद्यांश
- वाक्य शोधन

रचनात्मक लेखन

- संवाद लेखन
- चित्रकथा लेखन
- अनुच्छेद लेखन
- पत्र लेखन (अनौपचारिक)

संस्कृत

कौशल- श्रवण , वाचन, पठन, लेखन, व्याकरण और शब्दज्ञान

पुस्तक : दीपकम् - 1

Learning Cycle 1

- वर्णमाला-
  - स्वर व उसके तीन भेद
  - व्यंजन व उनके वर्ग, संयुक्ताक्षर
- वर्ण विन्यास व वर्ण विच्छेद (वयं वर्णमाला पठाम: प्रथम: पाठ:)
- लिंग परिचय- अकारान्त(पुल्लिंग) , आकारान्त शब्द (स्त्रीलिंग) और अकारांत (नपुंसकलिंग)
- श्लोक वाचन (प्रपत्र)

Learning Cycle 2

- वचन परिचय - तीनों वचन (सर्वनाम)
- दैनिक प्रयोग में आने वाले पुल्लिंग, स्त्रीलिंग व नपुंसकलिंग संज्ञा शब्दों तथा तीनों वचन में उनका रूप
- धातु परिचय (केवल पठ्, चल्, हस्, खाद्, लिख्,क्रीड्,धातुएँ)
- कर्ता के तीनों पुरुष लट् लकार से सम्बन्धित सरल वाक्य (बुद्धि: सर्वार्थसाधिका अष्टम: पाठ:)

Learning Cycle 3

- संख्या- 1 से 30, संख्या शब्दों का वाक्य में प्रयोग (संख्यागणना ननु सरला त्रयोदश: पाठ:)
- अकारांत और आकारान्त शब्द रूप व कारक सूची के सम्बन्ध का ज्ञान
- कर्ता के तीनों पुरुष लृट् लकार से सम्बन्धित सरल वाक्य (पुनरावृत्ति)

Learning Cycle 4

- अव्यय (अतिथिदेवो भव सप्तम: पाठ:)
- कर्ता से अधिकरण कारक –नियम व वाक्य प्रयोग
- तीनों पुरुष लट् लकार और लृट् लकार से सम्बन्धित सरल वाक्य (पुनरावृत्ति)

Mathematics

Learning Cycle 1
Fractions

- Representation of fractions on the number line
- Proper and improper fractions, conversion to mixed fractions
- Equivalent fractions
- Like and unlike fractions and their comparison
- Fractions in their lowest form
- Addition and subtraction of fractions along with word problems.
- Multiplication and Division of Fractions.

Decimals, Conversion of Units

- Conversion of decimals into fractions and vice versa
- Place value of decimals.
- Representation of decimals on the number line
- Conversions in length, weight and volume using decimals.
- Addition and subtraction of decimals along with word problems.
- Multiplication and Division of Decimals.

Learning Cycle 2
Prime Time

- Understanding prime numbers and their significance
- Prime Factorization
- Applications of prime numbers in cryptography

Number Play

- Factors and multiples, Prime and composite numbers
- Divisibility Rules
- Common Factors, Multiples, and their uses
- HCF and LCM along with word problems.

Percentages

- Understanding Percentages
- Basic Percentage Calculation

The other side of Zero

- Introduction. Representation of numbers with a positive and a negative sign
- Representation of integers on the number line
- Predecessor and successor of integers
- Comparison of integers
- Addition and subtraction of integers
- Multiplication and Division of Integers.

Lines and Angles

- Naming and identifying lines, line segments, rays, and points.
- Angles and their classification
- Properties of intersecting and parallel lines

Learning Cycle 3

Understanding Elementary Shapes

- Polygons and their classification
- Triangles and their classification
- Types of quadrilaterals and their properties
- Parts of circles and their characteristics
- 3-Dimensional shapes and their properties

Algebra

- Representing mathematical statements in terms of algebraic expressions
- Finding the value of an expression
- Solving simple equations
- Pattern in numbers

Ratios and Proportion

- Calculating ratios between two given quantities, Equivalent ratios.
- Proportion: finding the unknown term
- Unitary method

Symmetry

- Identifying symmetrical objects in real life
- Lines of symmetry and rotational symmetry
- Exploring symmetrical patterns in nature and architecture

Learning Cycle 4

- Perimeter of irregular shapes
- Perimeter of regular shapes: squares and rectangles, and word problems based on them
- Areas of irregular shapes
- Area of a square and a rectangle, along with word problems.

Data Handling

- Organisation of data into a frequency table
- Pictographs
- Reading, interpreting and constructing Bar Graphs
- Reading Pie Charts
- Mean, Median, Mode

Playing with Constructions

- Construction of line segments of a given length.
- Construction of a perpendicular through a point on the line.
- Construction of perpendicular bisectors of a line segment.
- Construction of angles using a protractor.
- Construction of certain angles of measures 30, 60, 90, 120 and 150 degrees using a compass.

Science

Learning Cycle 1

- The wonderful world of Science
- Materials around us
- Methods of separation in everyday life

Learning Cycle 2

- Mindful eating: a path to a healthy body
- Measurement of length and motion
- Temperature and its measurement

Learning Cycle 3

- Diversity in the living world
- Living creatures: exploring their characteristics
- Nature's treasures
- Beginning of the project for Science Day

Learning Cycle 4

- Exploring magnets
- Project for Science Day(conti.)
- A journey through states of water
- Beyond Earth

Social Science

Learning Cycle 1

- India and the World: Land and the People
- Locating Places on the Earth: Maps and its components, Mapping the Earth: Understanding Coordinates, Latitudes and Longitudes, Understanding time zones
- Oceans and Continents: Distribution of water and land on the Earth, Oceans and disasters, oceans and life, Continents
- Landforms and Life: Mountains: mountain environments, life in the mountains, Plateaus, Plains: life in the plains

Learning Cycle 2

- Timeline and Sources of History : How do we learn about the past? How is time measured in History? What are the sources of History? The beginnings of human History? The first crops.
- India, That Is Bharat : How Indians names India, How the world named India
- The Beginnings of Indian Civilisation
- Our Cultural Heritage and Knowledge Traditions: India's Cultural Roots, Vedas and Vedic Culture, Buddhism, Jainism, Folk and Tribal Roots

Learning Cycle 3

- Project work
- Unity in Diversity, or 'Many in the One' : Rich diversity, Food, Textiles and Clothing, Festivals, An epic spread
- Family and Community: Family, Roles and Responsibilities, Community
- Governance and Democracy- Part 1: What is democracy? Three organs of Government, Three Levels of Government

Learning Cycle 4

- Governance and Democracy- Part 2: Panchayati Raj System, Gram Panchayat, Child-friendly Panchayat Initiative, Panchayat Samiti and Zila Parishad
- Governance and Democracy- Part 3: Urban local bodies
- Economic Life Around Us- The Value of Work: Types of economic activities, importance of non-economic activities, community participation

- Economic Activities Around Us- Primary activities, Secondary activities, Tertiary activities, Interdependence between sectors

Applied Art

Learning Cycle 1

Concepts: Line, Shape & Form

- Topics
  - Geometric Measurable Designs
  - Introduction to Geometric Tools

Learning Cycle 2

Concepts: Colour Value & Texture

- Topics
  - Colour Wheel - Primary, Secondary, Tertiary and Neutral Colours
  - Introduction to Poster Colours

Learning Cycle 3

Concepts: Space & Proportion

- Topics
  - Positive & Negative Space
  - Foreground, Middle ground & Background.

Learning Cycle 4

Concepts: Unity & Balance

- Topics
  - Symmetrical & Asymmetrical
  - Design Composition

Painting

Learning Cycle 1

Concept: Line

- Skills: Drawing skills, Line drawing shading, Tonal variations- Light, middle tone, Shadow and Depth
- Assignments
  - Explore various linear patterns.
  - Still life - Arrange a bottle, a cloth, a wine, etc.

- Demonstrate a still life drawing to provide an idea of the technical aspects of drawing and shading.
- Composition with lines and textures.
- Tonal variation
- Create a tonal chart with lead pencil

Learning Cycle 2

Concept: Form

- Shapes 2D Circle triangle, square, rectangle, oval, ellipse.
- Forms-3D- Cube, rhombus, cone, sphere. (Occupying volume, height and width, occupy and exist within space)
- Perspective-Single point, Multi point, Linear, Aerial
- Assignments
  - Still life - Arranging different objects and materials-to learns about scale, proportion.
  - A Composition with shapes in black and white.

Learning Cycle 3

Texture

Concept: Space & Proportion

- Assignment: Explore various textures and patterns, Positive & Negative Space, Foreground, Middle ground & Background.

Learning Cycle 4

Concept: Colour- Primary, Secondary and Tertiary, Tints and Shades, Value, Hue

- Assignment:
  - A composition based on the theme of music – to enhance visualizing and imagination.
  - A composition using numerical (nos. from 1 to 9) in monochrome (any shade).
  - A composition done with the words like happiness, anger, calm/serene etc. How to show them with one's own facial expressions or through hands, on the paper.
  - Outdoor study- to learn how to pick colors from nature at different hours of time.
  - Composition based on Indian miniature painting by using the figures and style.

Pottery Specialisation

Learning Cycle 1

Study of Line:

- Introduction to the material and the process of Pottery- (Presentation, Clay)
- Introduction to Pinched Pottery- Simple shapes with your hand (Clay)
- From a ball to a Bowl (Clay)

Learning Cycle 2

- Introduction to Coiled Pottery (Presentation, Demonstration and Drawing)
- Coil rolling techniques and Tool Utilization (Clay)
- Creating a Coiled pot (Clay)

Learning Cycle 3

- Introduction to Slab Pottery (Presentation, Demonstration and Drawing)
- Making slabs and Tool Utilization (Clay)
- Introduction of textures on slabs. Making textured tiles. (Clay)

Learning Cycle 4

- Introduction to Potter's wheel (Presentation, Demonstration and drawing)
- Introduction to Glazing (Presentation and Demonstration on Glazing)
- Glazing Clay work (Glazing)

Sculpture Specialisation

Learning Cycle 1

Study of Line:

- Experiment with lines (Drawing)
- Experiment with lines (Clay)
- Signs and Symbols- Devanagari and Roman (Clay)

Learning Cycle 2
Space and Shape:

- Home Décor- Decorative Pot (Drawing)
- Home Décor- Decorative Pot (Clay)
- Musical Instruments (Clay/ Mixed Media)

Learning Cycle 3

Texture and Pattern:

- Mural Making- Day to day objects (Drawing)
- Mural Making- Day to day objects (Clay)
- Folk and Traditional Designs (Drawing & Clay)

Learning Cycle 4

Scale and Surface:

- Furniture Design (Drawing)
- Furniture Design (Clay)
- Furniture Design (Mixed Media)

Indian Dance

Learning Cycle 1

Motor Skills/ Listening Skills
- Viniyoga (Usages of hasta mudras)

Strengthen Skills
- Surya namaskar

Talam and Coordination Skills
- Continuing with Alaripu
- Dance sequences used in Alaripu

Organization Skills
- Start making notes of all steps taught

Learning Cycle 2

Motor Skills/ Listening Skills
- Tri pataka Hasta Viniyoga (Usage of Tri pataka Hasta)
- Ardha Pataka Hasta viniyoga (Usages of Ardha Pataka)

Strengthen Skills
- Introduction of jumps used in dance
- Dance exercises

Concentration and Focusing Skills
- Breathing exercises
- Balancing exercises

Talam and Coordination Skills
- Continue with Alaripu

Organization Skills
- Preparing notes of steps learnt

Learning Cycle 3

Motor Skills/ Listening Skills
- Kartari Hasta Viniyoga (Usage of Kartari Hasta)

Strengthen Skills
- Suryanamaskar
- Concentration and Focusing Skills

Breathing (Pranayam)

Talam and Coordination Skills
- Korvai (Dance sequences) of Jatiswaram

Learning Cycle 4

Motor Skills/ Listening Skills
- Mayur Hasta Viniyoga (Usage of Mayur Hasta)

Strengthen Skills
- Surya namaskar
- Strengthening exercises

Concentration and Focusing Skills

- Breathing (Aloom Viloom)

Talam and Coordination Skills

- Dance sequences used in Jatiswaram (2nd traditional piece)

Abhinaya and Expressions

- Eye movements (Drishti) & Neck movements (Greeva)

Organization

- Making notes of dance

Creative Dance

Learning Cycle 1

- Revision of techniques learnt
- Roll downs
- Spotting
- High arch, Isolations
- Body coordination
- Arm positions
- Plié
- Flexibility
- Opposition technique
- Spatial awareness
- Pivot turns
- Pick and Place
- Cross open
- Bus stop
- Flick and place
- Relevé
- Pencil turn
- Pirouette preparations and turns
- Cross ball change
- Contraction
- Flexed and pointed toes
- Jazz walk
- Jazz square
- Chassé
- Hitch kick
- Grapevine

Learning Cycle 2

Foot work and extensions.

- Brushes
- Forced arch

Learning Cycle 3

Balance and posture
- Hitch kick
- Retiré or passé

Understanding of music
- Spatial awareness
- Understanding rhythm

Learning Cycle 4

Strong foot work and balancing on one leg.
- Standing leg
- Working leg
- Art appreciation

Hindustani Vocal Music Specialisation

Level 1
Learning Cycle 1

Technique
- To be able to understand the basic notes (Swar)of Hindustani music.
- Practice it with the help of the instrument (Harmonium or Tanpura)
  - Knowledge of shudh swar and vikrit swar.
  - Students will now relate between swar and saptak.
  - The remaining 7 shudh notes and 5 vikrit notes.
  - Simple swarmalika and simple compositions on Teentaal in Ragas.

Learning Cycle 2

Improvisation
- To be able to understand notes (7 notes -Sa are Ga Ma Pa Dha Ni) through Alankars.
- Introduction of swar (Aaroh and Avroh).
- Knowledge of shudh swar and vikrit swar.
- Students will now relate between swar and saptak.
- The remaining 7 shudh notes and 5 vikrit notes.
- Simple swarmalika and simple compositions on Teentaal in Ragas.

Learning Cycle 3

Performance
- Ability to perform confidently
- Regular feedback
- Performing.

Learning Cycle 4

Life history of Musician as follows:

- Tansen
- Faiz Khan
- Amer Khushroo

Level 2
Learning Cycle 1

Technique:

- Interpretation of music and musical arrangement
- To be able to play and know the basic notes on the harmonium and achievement of appearing for music exams

Learning Cycle 2

Improvisation, Discipline and Seriousness.

- Introduction of Basic Level Ragas (Bhairav, Yaman, Khamaj, etc.)
- Simple definitions of Classical Music (Aaroh, Avroh, Shruti,Swar, Jaati).
- Practicing the notes of all the 3 octaves for better voice quality.
- Introduction of tanpura (eliminatory and grade one).
- A brief study on the life history of singers and musicians.
- Performance exercises (solo, duet or group: Throughout the process of this level emphasis is also laid on the performance aspect of the student. He or she is gradually shaped for a performance at least twice in a term)

Learning Cycle 3

Performance

- Ability to perform
- Regular feedback
- Performance

Learning Cycle 4

Life history of Musician as follows:

- Tansen
- Faiz Khan
- Amer Khushroo

Level 3
Learning Cycle 1

- Technique
- Art of performance.
- Teamwork and collaboration.
- Participating in class act, showcase, competitions by singing in the Choir.
- To be able to handle pressure, build confidence.
- Empathy and harmonious living.
- Interpretation of music and musical arrangement.
- To be able to play and know the basic notes on the harmonium and achievement of appearing for music exams.

Learning Cycle 2

Improvisation

- Comparison between basic and higher level ragas.
- Advance ragas and semi- classical and light music (grade 3 and above)
- Advance study on different styles of music e.g. thumri, Ghazal ,classical and popular music (depending on the students aptitude and interest students can pursue their interest accordingly).
- Following the student's CBSE Syllabus for the board exam and help them achieve their goals.
- Original composition based on these styles of music.
- Introduction of Taals (Teental, Ektaal, Jhaptaal, Etc.)
- Performance (solo duet or group: At this level performance will be given utmost importance. One performance of an original or self-made composition will be done.

Learning Cycle 3

Performance

- Ability to perform confidently
- Regular feedback
- Performance
- Interpretation of music arrangement
- To be able to play and know the basic notes on the harmonium and achievof appearing for exams.
- Interpretation of music and musical arrangement.

Learning Cycle 4

History of great musicians

- A brief study on the life history of singers and musicians.
- Performance exercises (solo, duet or group: Throughout the process of this level emphasis is also laid on the performance aspect of the student. He or she is gradually shaped for a performance at least twice in a term)

Sitar Specialisation

Learning Cycle 1

Technique

- Basic lesson for movement of fingers.
- Simple lessons for right and left hand and then gradually shifting to right and left hand combination movements.
- Palta/Bol and Alankar practice

Performance

- Patriotic song (Vande matram)
- Raga Yaman with short alaaps, small taans and small jhala.

Improvisation

- Making of paltas, vistar and alaaps.
- Sthaai and Antra of any Raga with vistaar and taan.
- Aalapchaari and bandish with jhala.

Learning Cycle 2

Technique

- Basic palta for movement of fingers.
- Little advanced lessons for right and left hand and then gradually shifting to right and left hand combination movements with Bol of sitar Da Ra
- Advances Palta/Bol and Alankar practice

Performance

- Dhun based on Kahrwa taal
- Raga Yaman (Alaap, Vistar, simple Taan) and Raga Kafi with bandish
- Teen Taal

Improvisation

- Making of paltas, vistar and alaaps.
- Sthaai and Antra of any Raga with vistaar and taan
- Aalapchaari and bandish with jhala

Learning Cycle 3

Technique

- Advance Bol Palta
- Alankaar
- Playing meend

Performance

- Raga Kafi Mastikhani Gat in teen taal sthai antra, vistar and short alapchaari
- Short taan of 8 beat and 16 beat with tehai
- Madhya laya teen taal raga kafi, introduction of one new raga

Improvisation

- Making of paltas
- Making of vistar
- Making of alapchari

- Playing in rhythm and maintaining taal

Learning Cycle 4

Technique
- Advance Bol Palta
- Alankaar
- Playing meend
- Playing khatka, murki, krintan and ghaseet

Performance
- Raga Kafi Mastikhani Gat in teen taal sthai antra, vistar and short alapchaari
- Short taan of 8 beat and 16 beat with tehai
- Madhyam laya teen taal raga kafi, introduction of one new raga
- Dhun based on Misra raga
- Taal- Keherva and Rupak

Improvisation
- Making of paltas
- Making of vistar in different taal
- Making of alapchari
- Playing composition in rhythm and maintaining taal

Western Music Specialisation: Guitar

Learning Cycle 1

Initial introduction to basic music education
- What is art?
- What are its objectives?
- The two basic categories of art.
- What is music?

Learning Cycle 2

Study of basic concepts on music:
- What is sound?
- How is it produced?
- What is a musical note?

Learning Cycle 3 and 4

Level 1

Learning Cycle 1

- Introduction of a scale (c major scale)

- Melody (simple melody from Major scale)

Learning Cycle 2

- Chord (C major chord from Major scale)
- Students will now relate between scale, melody and chord.

Learning Cycle 3 and 4

- The remaining major scales G, D, A, E, and Major scales.
- The major chords D, E, F, G, A, B and its sets (chords should be taught as sets)
- Simple songs, melodies and exercises (based on these major sets).

Level 2

Learning Cycle 1

- Introduction of Minor scales
- Introduction of Major and Minor Arpeggios

Learning Cycle 2

- Minor chords and its sets
- Simple songs, melodies and exercises (based bon these minor sets)

Learning Cycle 3

- Pentatonic scales (use of these scales in popular songs)
- Introduction of staff notation, playing music through sheet notation (pieces of initial and grade one)
- An original composition based on the concept discussed
- A brief study on different styles of music e.g. jazz, popular, blues and classical

Learning Cycle 4

- Performance exercises (solo, duet or group: Throughout the process of this level emphasis is also laid on the performance aspect of the student. He or she is gradually shaped for a performance at least twice in a term)
- Scales: Melodic, harmonic and chromatic, further study in pentatonic scales.

Level 3

Learning Cycle 1

- Major and minor arpeggios.
- Chords: Major and minor 7ths, 9ths and 13ths,dominant major and minor 7ths, diminished and augmented and other related chords.

Learning Cycle 2

- Advance pieces and challenging exercises (grade 3 and above)
- Advance study on different styles of music e.g. jazz, blues, classical and popular music (depending on the students aptitude and interest students can pursue their interest accordingly)

Learning Cycle 3 and 4

Original composition based on these styles of music

- Performance (solo duet or group: At this level performance will be given utmost importance. One performance of an original or arranged piece will be done every months)

Western Music Specialisation: Drums

Learning Cycle 1

- Setting Up and Playing Your Drum Kit - Playing the Bass and Snare
- Playing the Bass Drum
- Setting Up the Snare Drum
- Basic Rebound Strokes
- Ablility to know the fundamental of music and, and to know right way of playing drums

Fundamental of Music

- Different Component of Drums
- To know the different part of drums and its use, to know how to hold the stick in right way
- By asking the student to record and send the exercises
- Ability to wrist work and footwork applied on drums, and to play 4/4 beat,

Elementary Principles of Music Notations

- The Basic of Reading Music
- Understanding the music staff
- Notes and Rest
- Repeat signs and time signatures.
- Time Signatures
- Understanding notes and rest.
- Musical Term
- Understanding straight and swing interpretation of beats.
- To know how 4/4 beats is played To read Staff Notation Note value and Rest , Bars lines and Time Signature and 4/4 Rock Beat, and able to play sheet music along with backing track
- To be able to understand the definition of music, and various instruments that makes music.
- What is music?
- What is the difference between music and noise?
- What is Rudiments?

- To be able to understand the difference between music and noise,
- Able to By asking the student to play on the drum kit or drum pad to be able to read Staff notation , Music Note value and it Rest , and to play debut piece from Rock&Pop Trinity
- Understanding the Rhythm .6. Sight Reading Staff Notation/ Sheet Music Rock & Pop , Trinity
- Instruction is given to each group and each student is given a notation sheet. Clapping exercise ,and verbal method . By given verbal instruction and demonstrating in class, giving sheet music

Learning Cycle 2

Basic Beats

- Rock Beat - Playing using the saw movement.
- The Money Beat - Rock syncopation of the bass drum
- 2 Bars Beats - with the obstinate of hi hat
- Early Rock Beats and the snare drum.

Drumming Techniques

- Swiss Rudiments - Playing all the Rudiments in a
- Strokes - relaxed, fluid way.
- Paradiddles - Playing the rudiments with precision
- Flam - Playing the rudiment with feeling
- Ruffs and Drags and emotions.
- Ability to play Single , Double and Paradiddles on snare drums
- Paradiddles and it importance in drums
- By demonstrating on drums and giving exercise ,
- Ability to understand the different stick pattern that played on drums
- Single strokes, Double strokes Paradiddles

Learning Cycle 3

Rolls or Drum Fills.

- Single Stroke Rolls - Playing fluid single strokes rolls slow and fast
- Closed Rolls
- Drumming Techniques - Playing the various stroke rolls
- Open Rolls - accurately with the proper accents.

Drum Rhythms

- Blues & Shuffle - Understanding the Shuffle
- 12/8 Blues - Playing basic shuffle beat and Boss a Nova variations.
- Waltz - Playing 12/8 blues and variations
- To able to learn the kind of sticking pattern to apply of fills. Flam, Flam tap advance drum Strokes and Rock and Roll Feel. Jazz Cymbal Rhythm
- To know style and rhythms that makes Reggae
- Reggae One Drop. Sheet music and audio Cd and audio music

- To know the reggae style of music
- Judging the perform on the drum kit, based on tempo To work independently with metronome
- Independent Practice, Exercise advance paradiddles
- listening audio c.d and paradiddles to work independently on the practice pad

Learning Cycle 4

Trinity Examination Drum

- Able to play in complex time signature .
- Able to read music sheet and to play along with backing track music
- Time signature 3/4 8/12 .Improvisation of Beat
- Grade 3, 4 and 5 pieces from Rock & Pop Trinity College London
- To prepare for Drums Examination
- To know the structure of the beat and it count
- To know different genre of music. and style of music
- By asking the student to perform on drum kits and telling tell them to make own beats and improvise

Tabla Specialisation

Learning Cycle 1

Technique-

- Individual bols for right hand/left hand and Simple tabla lessons and Kaida with simple paltas and Tihai.
- Basic knowledge of Tabla and its parts.

Performance-

- Playing the taught lessons and simple Kaidas with at least 5 paltas and Tihai.
- Able to play simple tukras in Teentaal.

Improvisation-

- Learning thekas of Teentaal, Kehrwa and Dadra.

Learning Cycle 2

Technique-

- Little advance tabla lessons for improvement in hand posture and strengthening the hand.
- Complete knowledge of different parts of tabla and its uses.
- Performance-
- Playing all the taught Kaidas smoothly with all the paltas and tihai without stopping in between.
- Play little advance tukdas in dhrut Teentaal.

Improvisation-

- Play simple elaborations and proper theka of teentaal.

Learning Cycle 3

Technique-

- Complex bols for right hand/left hand and little advance tabla lessons and Kaida with longer paltas and Tihai.
- Knowledge about different components of Tabla and what they are made of.

Performance-

- Playing the taught lessons and Kaidas with at least 7 paltas and Tihai.
- Able to play simple Chakkardars in Teentaal.

Improvisation-

- Learning variations in thekas of Teentaal, Kehrwa and Dadra

Learning Cycle 4

Technique-

- Learning the way of how to make their own simple paltas in a Kaida in different beats.
- Learning different ways of playing the bols, playing the same bol in different style.

Performance-

- Playing all the taught Kaidas smoothly with all the paltas and tihai without stopping in between.
- Able to do a stage performance of Tabla for atleast 7-10 minutes with confidence

Improvisation-

- Learning little complex practice bols to improve hand strength and stamina.

Western Violin Specialisation

Level 1
Learning Cycle 1

- Posture, holding the violin, parts of the violin
- Finger placement
- Time signature
- Key Signature
- Bowing technique

Learning Cycle 2

- Reading staff notation
- Notes value
- Technical exercises: scales, arpeggios.
- Pieces

Learning Cycle 3

Scales (from memory) - All one octave, with the indicated rhythmic pattern on each note (minimum tempo: q = 92).

- Listen to the melody three times and clap the pulse on the third playing, stressing the strong beat
- Melody only 4 bars Major key
- Identify the dynamic as *forte* or *piano* Identify the articulation as *legato* or *staccato*
- Identify the highest or lowest note .

Learning Cycle 4

- Scales separate bows *or* slurred in pairs with along tonic; arpeggios separate bows only
- Listen to the melody once , describe the dynamics, which will vary during the melody and identify the articulation as *legato* or *staccato*
- Identify where the changes occurs
- Identify the change as rhythm or pitch.
- Performance

Level 2
Learning Cycle 1

- Reading slur bowing music
- Technical exercises
- Musical Knowledge
- Aural Tests

Learning Cycle 2

- Sight reading
- Rhythmic pattern exercises.
- Listening to different genres of music.

Learning Cycle 3

- Scales and arpeggio in two octaves
- Minor Scales
- Dominant 7th scale Diminished scales
- Broken slur bowing technique
- Listen to the piece twice .Listen to two notes from the melody line played consecutively ,clap the pulse on the second playing, stressing the strong beat. and identify the time signature

Learning Cycle 4

- Diminished scales
- Broken slur bowing technique
- Identify the time signature
- Identify the changing tonality
- Identify the final cadence as perfect, plagal, imperfect or interrupted

- Identify the interval as minor or major second, minor or major third, perfect fourth or fifth, minor or major sixth, minor or major seventh, or octave
- Identify the bar in which the change of rhythm occurred
- Identify the bar in which the change of pitch occurred
- Harmonised 8 bars
- Major or minor key
- Study a copy of the piece, and listen to it once as written and once with a change of rhythm and a change of pitch (both changes in the melody line)

Level 3
Learning Cycle 1

- Expression
- Vibrato
- Grade music Pieces
- Orchestra music pieces

Learning Cycle 2

- Interval
- Improvisation
- Dynamics
- Phrases

Learning Cycle 3

- Articulation, legato staccato
- Identify and comment on two other characteristics of the piece .
- Identify the key to which the music modulates as subdominant, dominant or relative minor
- Study a copy of the piece, and listen to it twice with two changes to the melody line and locate and describe the changes as pitch or rhythm .

Learning Cycle 4

- Chromatic scales
- Double stops major and minor
- Double stops in 6th & Octave
- Major scale in on one string

Drama Specialisation

Learning Cycle 1

- Students will be acquainted with Post-Modernist Plays, a form of literature which is marked, both stylistically and ideologically, by a reliance on such literary conventions as fragmentation, paradox, unreliable narrators, often unrealistic and downright impossible plots, games, parody, paranoia, dark humor and authorial self-reference."

- Critically analysing the inter house Drama Festival, the aspects that worked, what didn't; along with their reasons for the same
- The students will be assessed in their ability to understand the different themes and use that understanding in improvisations.
- The ability to build on existing material, openness to new ideas; learning to work within a framework; learning to assess their own work.

Learning Cycle 2

Improvisation and Mime

- Exercises for recalling senses, exercise of creating situations
- Individual and group exercises using imaginary objects as well as handling real objects and then substituted
- Developing the basic movements of the hand, body and head. Foot work and bodily movements to create new movement patterns
- Study of animal behaviour and its exact imitation

Learning Cycle 3

- Free Modern Movement
- Study of body anatomy, Traditional movement and mime work
- Basic movements, rheumatic patterns with footwork
- Traditional and Modern Mime

Learning Cycle 4

- Pantomime
- Advanced exercises for body flexibility
- Complex combination of movements of different parts of the body
- Composition, Symmetry and Asymmetry
- Assessment - Designing choreography for performance, emotional expressions through body, working on stylized movements

Physical Education

Basketball

Learning Cycle 1

- Fundamentals of Dribbling
    - Low Dribbling
    - High Dribbling
- Fundamentals of Passing
    - Chest Pass
    - Over Head Pass
    - Chest Bounce Pass
- Fundamentals of Shooting

    - Eyes on Target
    - Stance and Balance
    - Shot Pocket
    - Grip
    - Balance Hand
    - Delivery
    - Up force and Landing
    - Follow Through
    - Layup Shot

Learning Cycle 2

- Fundamentals of Defense
    - Position and Footwork
    - Side to Side Movement
    - Balance
- Fundamentals of Rebounding
    - Balance and Leverage
    - Two handed Defense
    - Anticipation
- Fundamentals of Layup Shot
    - Give and Go
    - Understanding Game Sense
    - Multiple Player Games
    - Technical Skill Practice

Learning Cycle 3

- Fundamentals of Advanced Passing
    - Long Passing
    - One Hand Passing
    - Fake and Pass
- Fundamentals of Layup Shot
    - Give and Go
    - Fake and Layup
- Fundamentals of Advance Dribbling
    - Ball Control
    - Zig Zag Dribbling
    - Duration Dribbling
    - Understanding Game Sense
    - Multiple Player Games
    - Technical Skill Practice

Learning Cycle 4

- Fundamentals of Defense
    - Man to Man Defense
    - Zone Defense
- Fundamentals of Rebounding

    - Balance and Leverage
    - Two handed Defense
    - Anticipation
- Fundamentals of Shooting
    - Free throw Shoot
    - Understanding Game Sense
    - Multiple Player Games
    - Technical Skill Practice

Football

Learning Cycle 1

- Passing
    - The Wall Pass
    - Field Progression
- Receiving
    - Groups of Three
    - Group of Ten
- Dribbling
    - Inside
    - Outside
    - The Step Over

Learning Cycle 2

- Hitting Long Balls More Accurately
    - Groups of three
    - Drive a still ball
- Individual Skills
    - Juggling
    - Low/High
    - In a group
- Heading
    - Groups of Three
    - Exercises from different angles.

Learning Cycle 3

- Defence
    - Individual Defense
        - Approach to the Ball
        - Staying in front of the Ball
        - Closing the shut down
- Tackling
    - 1v1 Attacking to a Full-Size Goal
    - 1v1 Three Grid Attacking Drill
    - Finishing In Front of the Goal

    - 2v2 Battle - Attacking and Defending Drill
    - 4 vs 2 soccer game
- Individual Skills
    - One vs. One
    - Finishing 1 vs 1's

Learning Cycle 4

- Goalkeeping
    - Eye Contact Catch
    - Keeper Wars
    - Possession
    - Deflecting Shots
    - Crosses & Distribution
    - Handling the Back Pass
    - Crossing, Finishing, Shooting Drill
- Tackling
    - Indirect Kick
    - Defensive Organization
- Volley
    - Two Players - Four Yards Apart
    - Volleys to Goal
    - Groups of Four or More

Gymnastics

Learning Cycle 1

- Cardio-Vascular Endurance & Flexibility
    - Warm up-
      Back exercise, abdomen, leg strength, arm and shoulder with different sets of endurance.
- Flexibility exercises with Stretching including leg split and arches.
- Circuit Training
- Jumps & Leaps
- Balance
- Rotations
- Floor Exercises
- Partner work
- Basic Body Wave
- Pre-acrobatic Elements
- Difficulty of Apparatus (DA-Hoop)
- Fundamentals of Hoop Apparatus
- Rhythm and Music Sense
- Cooldown exercises

Learning Cycle 2

- Shoulder and Leg Strength (Muscular Strength)
    Warm up
    General and specific to develop shoulder and leg strength
- Stretching Exercises
- Jumps & Leaps
- Balance
- Rotations
- Floor Exercises
- Partner work
- Pre-acrobatic Elements
- Difficulty of Apparatus (DA-Hoop & Ball)
- Fundamentals of Hoop Apparatus
- Fundamental of Ball Apparatus
- Sequence Construction Conditioning Exercises Fundamental of Hoop Fundamental of Ball for Competitive Level
- Dancing Steps Training
- Cooldown exercises.

Learning Cycle 3

- Abdominal and Back Strength
- Warm up exercises
- Abdominal Strengthening exercises
- Body Waves
- Jumps & Leaps
- Balance
- Rotations
- Pre-acrobatic elements
- Floor exercises
- Throws
- Difficulty of Apparatus (DA-Ribbon & Clubs)
- Fundamentals of Ribbon Apparatus
- Fundamental Of Clubs Apparatus
- Sequence Construction Conditioning Exercises Fundamental of Hoop Fundamental of Ball
- Theory of Code of Points (2025-28)
- Cooldown exercises

Learning Cycle 4

- Cardiovascular Endurance, Flexibility
- Flexibility exercises with Stretching including leg split and arches.
- All Basic Handlings of Hoop, Ball, Ribbon and Clubs Apparatus
- Continue Working on Routines and performance
- Cooldown exercises.

Badminton

Learning Cycle 1

- Discipline
- Warm-Up
- Forehand Grip
- Stance
- Backhand Grip
- Rules
- Basic shuttle control
- Half Court Play
- Meditation

Learning Cycle 2

- Forehand Clear
- Fitness
- Basic Net Shot
- Basic Serve (Short & High)
- 2 Corner Movement Strokes
- Standing Strokes
- Front 4 Corner rally
- Shadow
- Meditation

Learning Cycle 3

- Split Step
- Back Court Movement
- Side defence Movement
- Shuttle Run
- Accuracy Multi Shuttle
- 4 Corner Strokes (Back Side)
- Meditation

Learning Cycle 4

- Endurance Multi Full Court
- Smash Tap
- Toss and Defence
- Full Court Matches
- Net Dribble
- Lift and Cross Drops
- Speed Multi Shuttle
- Meditation

Cricket

Learning Cycle 1

- Fundamentals of Bowling
    - Basic Grip
    - Run-up
    - Basic Grip
    - Action

- Fundamentals of Fielding
    - Stopping the long Barrier
    - Stopping the Long Barrier

Learning Cycle 2

- Fundamentals of Batting
    - Grip
    - Stance
    - Backlift
    - Taking guard - middle, two leg, leg stump
    - Forward Defence
    - Back Defence

Learning Cycle 3

- Understanding Length
    - Full Toss
    - Yorker
    - Half Volley
    - Good Length
    - Short
    - Long Hop

Learning Cycle 4

- Understanding Length
    - Full Tos
    - Yorker
    - Half Volley
    - Good Length
    - Short
    - Long Hop

Table Tennis

Learning Cycle 1

- Objective of the Game
- How To Score
- Top 10 Beginner Mistakes
- Grip Types
- Spin
- Basic Strokes
- Safety / Avoiding Injuries
- Competition
- Choose Your First Bat
- Important Rules
- 10 fundamental basic skills in table tennis beginner's Intermediate and Advance Group
- Forehand drive technique.
- Backhand topspin close to the table.
- Forehand push and backhand push.
- Forehand flick.
- Backhand flick.
- Backhand loop the underspin ball.
- Forehand attack the semi-long ball.
- Forehand fast serve.

Learning Cycle 2

- Short backspin serve
- Backhand sidespin serve
- Forehand high toss serve
- Half-long serve.
- Long, fast serve
- The short push return.
- The long, fast, push return.
- The forehand flick (flip) return.
- Advanced Strokes
    - The Loop
    - The Chop
    - The Flick
    - The Lob
    - Advanced Service Techniques

Learning Cycle 3

- The Forehand Counter hit
- The Backhand Counter hit
- The Backhand Push
- The Forehand Push. The Forehand Push
- Forehand Block against Loop
- Backhand Block against Loop
- Learn to Loop in Table Tennis

- Forehand Loop against Backspin
- Forehand Loop against Block
- Forehand Loop against Loop.

Learning Cycle 4

- Backhand Loop against Backspin.
- Table Tennis Basic Strokes – Backhand Loop against Block
- Table Tennis Basic Strokes – Forehand Chop against Loop
- Table Tennis Basic Strokes – Backhand Chop against Loop
- Table Tennis Basic Strokes – Forehand Smash against a Lob
- Table Tennis Basic Strokes – Forehand Drop Shot against a Lob
- Forehand Drop Shot Against a Chop – Table Tennis Basic Strokes
- Table Tennis Basic Strokes – Forehand Lob Against Smash
- Table Tennis Basic Strokes – Forehand Lob against Smash – Side View
- Table Tennis Basic Strokes – Backhand Lob against Smash
- Table Tennis Basic Strokes – Backhand Lob against Smash – Side View

Athletics

Learning Cycle 1

- Fitness: Sports related fitness: Plyometric exercises, ABC exercises, flexibility exercises.
- Crouch start (Block Start)
- Sprint : 50m, 100m and 200m race,400m
- 600m race
- Relay Races (4X100m)

Learning Cycle 2

- Fitness: Drill Exercises, Relay races, flexibility exercises.
- Horizontal Jump: Long jump:
- Hang Style Technique

Learning Cycle 3

- Fitness: Flexibility exercises (Yogasanas).
- Shuttle Relay Race with skipping/ baton
- Vertical Jump: High jump
- Fosbury Flop Technique

Learning Cycle 4

- Fitness: Aerobic exercises, Flexibility exercises
- Throws:
    - Shot put with softball

- Kids Javelin
- Medicine Ball Throw
- Discus : Grip, Stance and spin

Hockey

Learning Cycle 1

● Introduction to hockey equipment (stick, ball, shin guards)

● Basic rules and safety

● Correct grip and body posture

● Basic dribbling (close control)

● Push pass and receiving the ball

● Simple warm-up and stretching exercises

Activities

● Dribbling through cones

● Passing with a partner

● Mini fun games with the ball

Assessment

● Ability to hold stick correctly

● Basic control of the ball while dribbling

Learning Cycle 2

● Hit pass technique

● Stopping / trapping the ball

● Dribbling with speed

● Basic tackling (jab tackle)

● Passing combinations

Activities

● Passing triangle drills

● Ball control drills

● 3 vs 3 small-sided practice games

Assessment

● Accurate passing

● Correct ball stopping technique

Learning Cycle 3

● Team positions (forward, midfielder, defender, goalkeeper)

● Simple formations

● Attacking strategies

● Defensive positioning

● Communication and teamwork

Activities

● 5 vs 5 or 7 vs 7 matches

● Team passing drills

● Strategy practice sessions

Assessment

● Participation in team play

● Understanding of positions and tactics

Learning Cycle 4

● Shooting at goal

● Penalty corner basics

● Advanced passing and ball control

● Game rules and officiating

● Sportsmanship and fair play

Activities

● Full practice matches

● Shooting drills

● Mini class tournament

Assessment

● Performance in matches

● Knowledge of rules and teamwork

Technology

Learning Cycle 1

- Glide (No-Code App Design)
- Apple Freeform
- Artificial Intelligence Awareness
- Digital Media Literacy

Learning Cycle 2

- MIT App Inventor
- Apple Keynote (App Interface Planning)
- Block-Based Programming Concepts
- AI-Enabled Components

Learning Cycle 3

- Google Vids
- Digital Storytelling
- Cloud Computing (Google Drive)

Learning Cycle 4

- Basic HTML
- Digital Portfolio Design
- Apple Freeform (Cloud Computing Visualisation)
- MakeCode micro:bit Programming
